

## School Supplies Needed

For most of us, summer is just starting, but for our friends at the Salvation Army, plans are underway to ensure that all of the children fed during their Summer Food Program have the school supplies they need this fall.

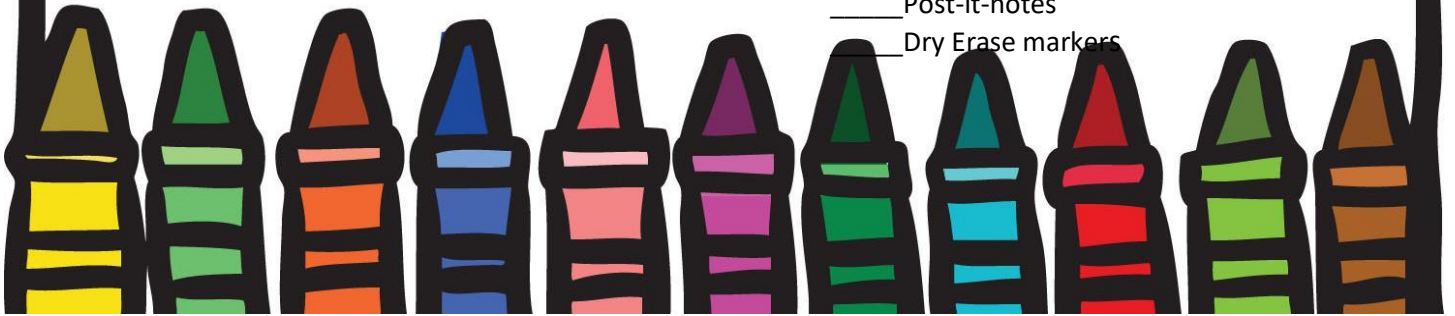

**Our collection dates are June 30 through July 21.** A marked collection box will be placed in the Narthex.

Once again, the Mission Board thanks you for your generous contributions for those who are less fortunate than we are.
