Projector/Video Streaming/Sound Board Volunteers Needed

Are you interested in volunteering for one of the many roles in the Video/Sound booth during Sunday Worship Service? We are in need of volunteers to run the slides, do the video streaming, or operate the sound board. All three of these roles have some training that will be required. A rotating schedule will be created depending on the number of volunteers, so you will not have to volunteer every week. If this is something you would like to learn and help be a part of, please let Kristen Adkins know what role you want to volunteer for in the booth. You can see her at church or give her a call or text at 513-594-1607 or drop her an email at krisadkins71@gmail.com Thank you for your willingness to serve!
