A new outreach opportunity awaits you during the summer months:

FBC will be hosting a monthly Community Cookout, May through September. The goal is for FBC to interact with neighbors in communities around Middletown. We are looking for three additional families to host a cookout for the months of July, August, and September. For those interested in hosting there is a sign-up sheet in the Welcome Center.

Betty Creech Memorial Scholarship applications are available at the Welcome Center. The application deadline is Monday, July 16. Donations to the scholarship fund are accepted year round. Thanks.

After many, many years of dedicated service to FBC our “Super set up team” Joni Janney and Travis Adkins have decided it is time to retire from those duties. Please join the Board of Trustees in wishing them well and in thanking them for all their hard work! We invite you all to join us with your contributions to a love gift fund that we plan to present to Joni and Travis during our worship service soon. Thank you Joni and Travis!!!

What’s YOUR Favorite Hymn? Write down your favorite hymn, one per sheet (hymn number & name from the hymnal), and put your suggestion(s) in the **Green Box** on the old communion table in the narthex. Please write only one hymn per piece of paper. If you have multiple suggestions, you’ll need multiple slips of paper. We will draw randomly and sing hymns from this box during the next two Pre-Service Hymn Sings on July 8 and August 12, at 10:20 a.m. Don’t miss the opportunity to sing some of YOUR favorites this summer!

First Baptist Church of Middletown is pleased to offer a preventive health event. Life Line Screening, a leading provider of community-based preventive health screenings, will host their affordable, non-invasive and painless health screenings on **Friday, July 13, 2018**. Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. **In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call 1-888-653-6450 or text CIRCLE to 797979 visit www.lifelinescreening.com/communitycircle.**
